

# CT Yagow

I'm 27years old and live in Roanoke,VA. I really want to be on film and am willing to travel.

I started acting in High School (at Hidden Valley) 2003-2005. I also took some acting classes at Virginia Western from Ted Mills.

I worked on the film Rurik as an extra which was made by F3 Productions. I've been doing lights and occasionally sound over at Showtimers Community Theatre currently.

Over at Showtimers, I've only had one role so far as a watchman in Much Ado About Nothing.
